SW SOURCEWEB® GROUP

What Advantages do you get from this?

Setting up a company not only involves a lot of effort, but also high costs. There are numerous items to consider when starting up, such as business registration, entry in the commercial register, legal and notary fees, tax advice, incorporation advice, registration of trademarks and/or patents, licensing costs, administrative costs of the legal form, marketing costs, website creation, hosting costs, social insurance, high tax contributions, etc.

To remain competitive on the market, you need renowned references, certificates, licenses, reputation, name recognition and much more.
We can provide all of this from a central source.

Due to the worldwide recognition of our brands, we have an increasing number of visitors, currently over 700 a day. As full transparency is very important to us, you have direct access to our demo version, where you can track all visitors to our website live.

According to the Alexa ranking, our websites are among the TOP 150,000 of the world's most visited sites.

YOU RECEIVE FROM OUR COMPANY THE FOLLOWING ADVANTAGES

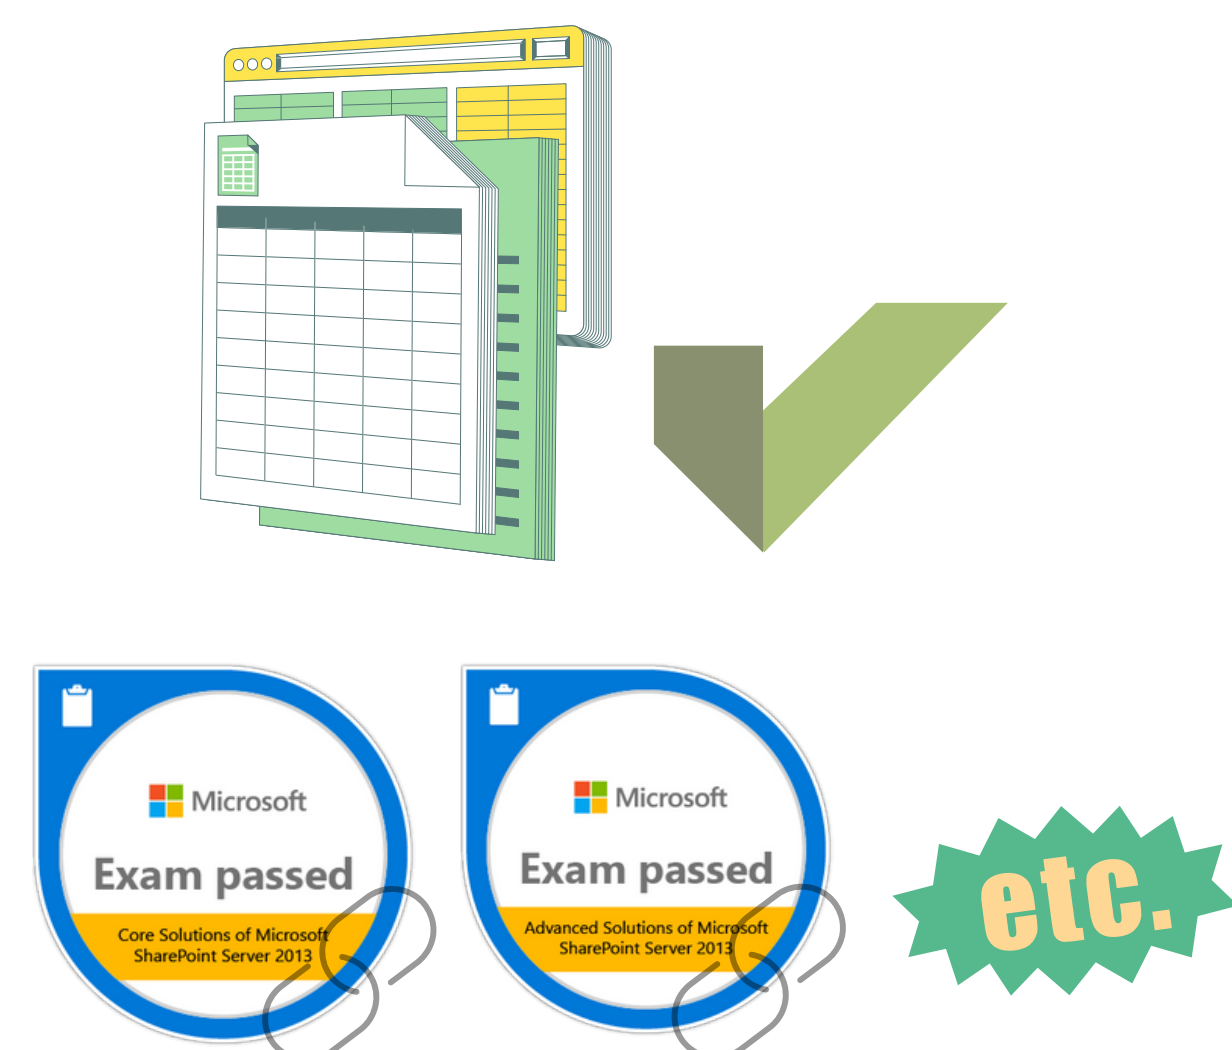

7) Common Administration Area accessible from anywhere and at any time

The biggest advantage of SharePoint is that it enables effective company-wide collaboration in real time. Multiple users can work on the same document simultaneously from anywhere in the world instead of sharing different versions of documents.

All changes made to the document are synchronized automatically and in real time.

As a Certified SharePoint Expert, we can individually exchange all important, required information with each other via an Excel spreadsheet.

Our IT-Experts are always available for advice and at any time.

9.1) HIGH Language Selection

The Payment-Link assigns the preferred browser language of your customers for more than 9 Languages..

9.2) Bookings in different Currencies

In SourceWeb Central you can create bookings in different Currencies, such as Euros, US Dollars, Pounds Sterling or Swiss Francs.

9.3) What Payment Methods are there?

We offer many different payment methods, such as

- Debit or Credit Card
- PayPal
- Bank Transfer
- Cryptocurrencies (Bitcoin, Bitcoin Cash, Litecoin, Dash, Ether Class, Ether, Tron, Monero, Ripple etc.)

The Payment Methods will be constantly expanded in the future.
